(C) PLANNING COMMISSION. The Louisville Metro Planning Commission.

(D) LAND USE ENFORCEMENT OFFICER. An officer authorized by the Planning Commission to enforce binding elements.

(E) LAND USE ORDINANCE. An official action of the Metro Council which is a regulation of a general and permanent nature relating to the use and development of land within Jefferson County. It is enforceable as a local law and includes any provision of the Code of Ordinances which embodies all or part of an ordinance.

§ 153.21 ENFORCEMENT OF BINDING ELEMENTS.

The violation of any binding element, as defined herein, shall constitute a civil offense which may subject the violator to a civil fine and/or other remedial orders of the Planning Commission in accordance with procedures set forth in this subchapter.

§ 153.22 AUTHORITY OF THE PLANNING COMMISSION.

(A) The Planning Commission may issue remedial orders and impose civil fines as a method of enforcing a binding element when a violation of that binding element has occurred.

(1) If the violation of a binding element would also constitute an offense under any provision of the Kentucky Revised Statutes, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense, such a violation of a binding

element shall not be a civil offense under this subchapter but a criminal offense which may be prosecuted in the court of appropriate jurisdiction.

(B) In the exercise of its authority under this ordinance, the Planning Commission shall have the power to:

(1) Adopt rules and regulations to govern its operation and conduct of its hearing that are consistent with requirements of this subchapter;

(2) Conduct hearings to determine whether there has been a violation of a binding element;

(3) Subpoena alleged violators, witnesses and evidence to its hearings and all such subpoenas issued by the Planning Commission may be served by any Land Use Enforcement Officer;

(A) Enforcement proceedings for the violation of a binding element shall be initiated by the issuance of a citation by a Land Use Enforcement Officer.

(B) When a Land Use Enforcement Officer, based upon personal observation or investigation, has reasonable cause to believe that a violation of a binding element has occurred, the officer may issue a warning notice and citation to the offender. Prior to issuing a citation, however, the officer shall issue a warning notice giving the offender ten days, Saturdays, Sundays and holidays excluded, in which to remedy the violation. If the person to whom the notice is given fails or refuses to remedy the violation within the specified time, the Land Use Enforcement Officer may issue a citation. However, if the violation is a threat to the public safety, the Land Use Officer immediately shall issue a citation without a prior warning notice.

(C) The citation issued by the Land Use Enforcement Officer shall be in a form prescribed by the Planning Commission and shall contain, in addition to any other information required by the Planning Commission:

(D) All citations issued shall be hand-delivered to the alleged violator. After issuing a citation to an alleged violator, the Land Use Enforcement Officer shall notify the Planning Commission by delivering the citation to the administrative official designated by the Planning Commission.

(E) When a citation is issued, the person to whom the citation is issued shall respond to the citation within 14 days of the date the citation is issued by either paying the civil fine set forth in the citation or requesting, in writing, a hearing before the Planning Commission to contest the citation. If the person fails to respond to the citation within 14 days, the person shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be considered final. In this event, the Planning Commission shall enter a final order determining that the violation was committed and imposing the civil fine set forth in the citation.

§ 153.24 HEARINGS BEFORE THE PLANNING COMMISSION.

(A) When a hearing before the Planning Commission has been requested, the Planning Commission, through its clerical and administrative staff,

shall schedule a hearing. The hearing shall be conducted within 30 days of the date of the request, unless the person who requested the hearing requests or agrees to a continuance not to exceed 30 days. Any person requesting a hearing before the Planning Commission who fails to appear at the time and place set for the hearing shall be deemed to have waived the right to a hearing to contest the citation and the determination that a violation was committed shall be final. The Planning Commission shall take testimony from the Land Use Enforcement Officer, the alleged offender, and any witnesses to the alleged violation offered by the Land Use Enforcement Officer or the alleged offender. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(D) After the hearing, the Planning Commission shall determine, based on the evidence presented, whether a violation was committed. When the Planning Commission determines that no violation was committed, an order dismissing the citation shall be entered. When the Planning Commission determines that a violation has been committed, it shall issue an order upholding the citation and may order the offender to pay a civil fine in an amount up to the maximum authorized by this ordinance, or may order the offender to remedy a continuing violation within a specified time to avoid the imposition of a fine, or both, as authorized herein.

(E) Every final order to the Planning Commission shall be reduced to writing, which shall include the date the order was issued, and a copy of the order shall be furnished to the person named in the citation. If the person named in the citation is not present at the time a final order of the Planning Commission is issued, the order shall be delivered to that person by certified mail, return-receipt requested; by personal delivery, or by leaving a copy of the order at that person's usual place of residence with any individual residing therein who is 18 years of age or older and who is informed of the contents of the order.

§ 153.27 CIVIL ACTION.

Nothing contained in this ordinance shall prohibit the Metro Government from taking immediate action in the court of appropriate jurisdiction to remedy a violation of a binding element when there is reason to believe that the existence of the binding element violation presents a serious threat to the public health, safety and welfare, or if in the absence of immediate action, the effects of the binding element violation will be irreparable or irreversible.

§ 153.98 SEVERABILITY.

If any provision of this chapter as now or later amended or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions that can be given effect without the invalid provision or application.

§ 153.99 PENALTY.

Any person who violates a binding element shall be subject to a fine or not less than \$500 nor more than \$4,000 and shall comply with such remedial orders as may be issued by the Planning Commission. Each day during which the binding element violation exists after the period granted by § 153.23(B) to remedy the violation shall be deemed a separate offense.
